## Laboratory Experience

(since 2024 to present )

- Hands-on experience with microscopes, pipettes, centrifuges, and spectrophotometers
- Preparation of solutions and reagents under safety guidelines
- Proper waste disposal and chemical handling following lab protocols

# Pasindu Dilmin Bandara

Under graduate student(BSC Biotechnology-SLIIT)

I am a Biotechnology student at SLIIT with strong knowledge of biology and chemistry. Lab equipment is safely handled, and safety rules are followed. Supplies are managed and the workspace is kept organized. I communicate well in English and Sinhala. I aim to work as a Lab Assistant to support students and teachers by maintaining a safe and efficient lab while gaining experience to grow my career.

## Educational Qualification

- ✓ BSC(HON,S)Biotechnology(UG)-SLIIT
- ✓ G.C.E. Advanced Level – 2022  
(Mayurapada central college-Narammala)

Subject	Grade
Biology	C
Chemistry	C
Physics	C

- ✓ G.C.E. Ordinary Level – 2017  
(Mayurapada central college-Narammala)

Subject	Grade
Mathematics	A
Science	A
English	C
History	A
Sinhala	A
Buddhism	A
Geography	A
Electronics	B
Sinhala.L	A

## Skills

Biology & chemistry knowledge, Safe lab equipment handling, Lab safety compliance, Inventory management

English & Sinhala communication.
